

ACCESS AND PARKING FACILITIES

There is not a private garage in the hotel building, but there are several public garages in the area. For example, the one in Plaza de los Campos (17.50€/24 hours), is just 120 meters walking. If upon your arrival, this car park is full inform the staff that you have a reservation at Palacio de los Navas and they will do their best to find a place for you

If you are travelling by car, there are two options:

Drive directly to the parking and from there walk about 120 meters with your luggage to the hotel by Rosario Street. In this case, you can enter the address of the garage in the GPS/Google Maps before entering Granada: Plaza de los Campos (local 4),

On the other hand, **if you prefer to arrive first at the hotel to unload your luggage and then drive to the car park do not use GPS/Google Maps or any other navigation system.** Follow the instructions below and

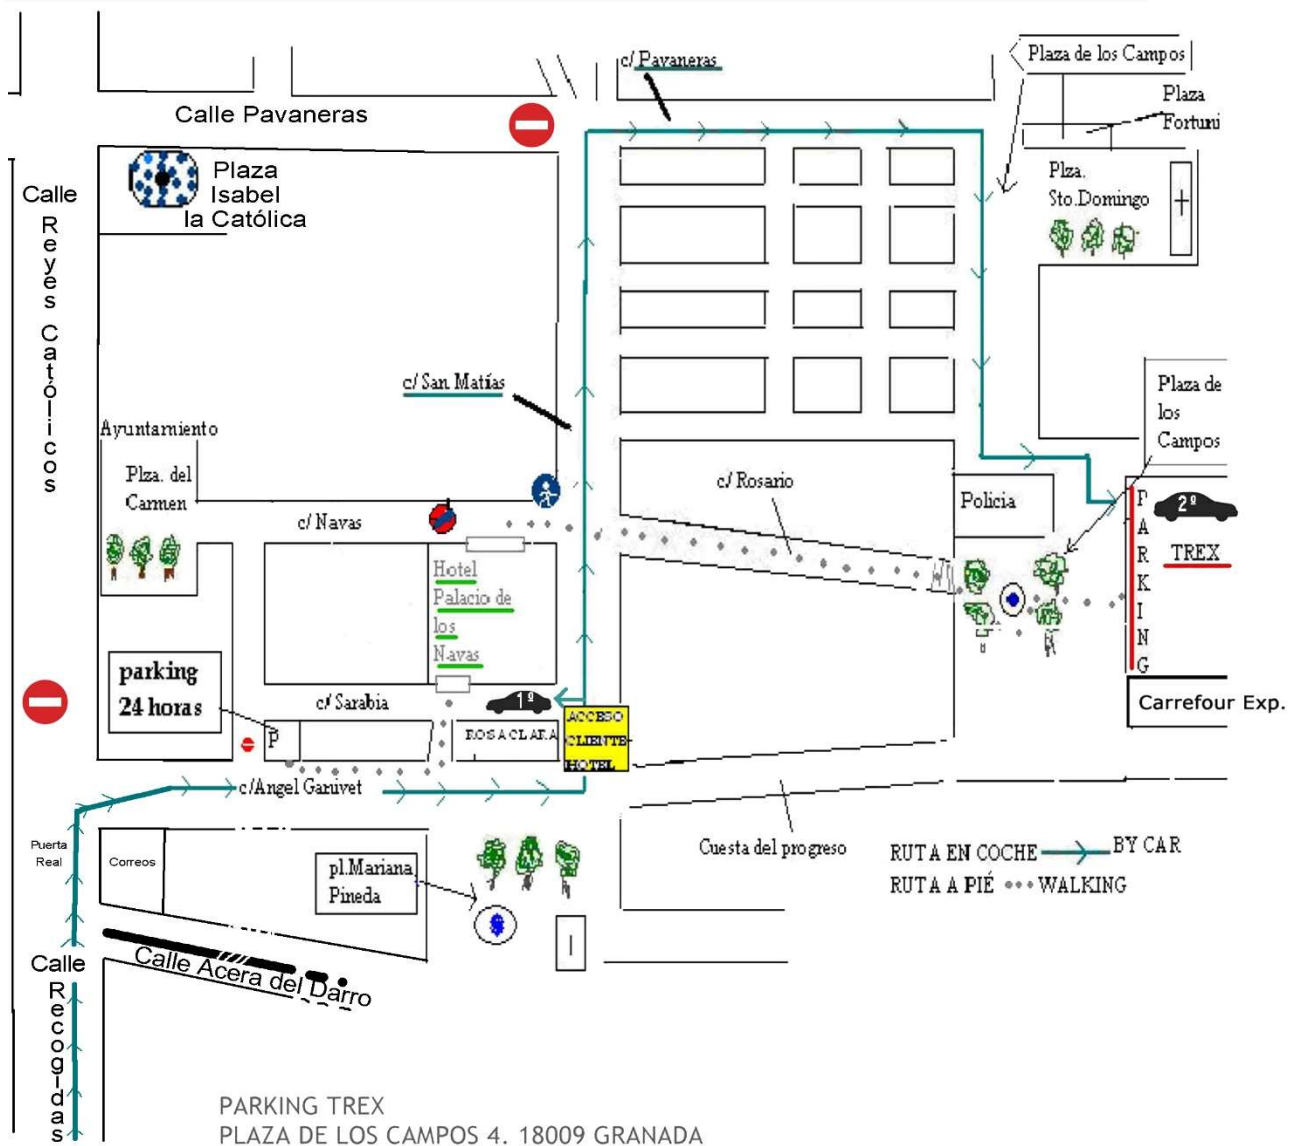

- Take exit 13 RECOGIDAS CENTRO (old exit 129)
- Continue towards Centro Ciudad-Puerta Real, when you enter Recogidas Street you will see a yellow sign with a prohibited sign that indicates “Except residents and hotels”. As a client of our hotel, you are authorized to circulate.
- Continue to Puerta de Real, once at Puerta Real, leave a "Burger King" on your left and take the second street on the right: Calle Ángel Ganivet, you will recognize it by its arcades, continue until the end, enter Plaza Mariana Pineda
- Turn into Calle San Matías, once in San Matías enter the first street on the left: Calle Sarabia, here we have a door for loading and unloading luggage, with an authorized stop for vehicles.
